

MADRONE HOSPICE, INC.

Quality, Compassionate Care

January-March 2021

Executive Director

**Lauri Hunner and
Therapy Dog, Trenton**

A letter from the Executive Director

Welcome to a New Year with the hope(s) of a brighter future!

Even though this past year was challenging, at best, Madrone Hospice continued to serve its patients and their families, provided meals and services to our Seniors, and kept both the Hospice Shop and Heartisans Boutique open to the community. I am very grateful to all of our staff and volunteers for their perseverance, willingness to follow COVID 19 protocols and for trusting in our mission: to provide quality, compassionate care to our community.

Our virtual Light Up A Life event was well received by the community and we thank all of the donors for their generous support in remembrance of their loved ones. We are in the early planning stages for our annual Art Auction with hopes of creating a virtual bidding experience to support our Madrone Hospice House. There will be more information in the near future...stay tuned!

As we enter the new year, the long winter days will fade into the emergence of spring...bulbs will begin to break the ground, buds will be forming on the trees and more light at the end of the day will return.....bringing the hope of new beginnings and a future filled with love and gratitude .

Stay safe and be well!

Many Blessings,

~Lauri

LIGHT UP A CELEBRATING *Life* LOVE AND LIGHT 2020

waters to facilitate this year's ceremony. Out of an abundance of caution and respect for the safety of the families who attend, Madrone Hospice held the annual heartfelt *Light Up A Life* ceremony virtually this year. This abrupt shift from an all

in-person event to a digital format has been difficult in itself, not to mention all the continued uncertainty surrounding the COVID-19 pandemic and the safety measures that took precedence. Despite all of the uncertainty, one thing was clear; the opportunity to celebrate those we hold close to our hearts was more crucial this year than any other.

We would like to give a huge thank you to everyone that made this year's *Light Up a Life* event possible. Sage Sweet from Sage's Custom Cuts generously donated her time and materials to make this year's special

Our annual *Light Up a Life* event has been a tradition since the early days of Madrone Hospice. Recognizing, honoring, and embracing the passing of our loved ones are at the core of what hospice care is all about. As we all know, this year has been very different. Madrone Hospice had to venture into uncharted

Executive Director, Lauri Hunner facilitates a beautiful ceremony

remembrance chime. A huge shout out to Sage and her mother, Andy Gomes. Our sincere gratitude to the Siskiyou Media Council for creating a video which captured the true spirit and beauty of *Light Up a Life*. A heartfelt thank you to the Yreka High School Vocal Ensemble who lifted their voices in honor of our loved ones. Despite time constraints and COVID-19 restrictions, they produced a beautiful song dedicated to the *Light Up a Life* ceremony. Please look for the video presentation of their song on our Facebook page. And finally, we must thank our wonderful team here at Madrone Hospice who joined forces, all from a safe social distance, to make this event possible. Although we could not gather in person, we still found a way to honor our loved ones, celebrating life, love, and light.

The televised ceremony was broadcast live on December 4th and is now available for viewing on YouTube and Facebook by following the links on our website,

madronehospice.org. We hope you enjoyed *Madrone Hospice-Light Up a Life 2020*. We wish everyone in the community a safe, healthy and prosperous New Year.

Thank you all for your continued support of Madrone Hospice.

Sage Sweet, along with her mother Andy Gomes, dedicated their amazing artistic abilities to engrave the special inscription on wooden chimes.

We are so very grateful.

~Listen to the wind and know that I am near~

Employees and volunteers come together, while safely social distancing to put together special keepsake chimes for our Light Up a Life donors.

On March 30th each year, **National Doctors' Day** honors the healthcare professionals for their dedication and lasting contributions they continually make for society and their community. Their dedication puts patients first time and time again. With healthcare today, being more and more complex, doctors have an overwhelming job to diagnose and treat patients everyday.

For Madrone Hospice, this day makes for an excellent opportunity to show appreciation for the role our Medical Director plays for

Hospice in particular. The hospice doctor is a key member of the hospice team that cares for each patient and oversees the hospice plan of care. Hospice physicians help the team maximize patients' comfort and quality of life, while coping with a terminal illness.

In recognition of **Doctor's Day**, we at Madrone Hospice pause to honor our hospice and palliative care physician, Dr. Bruce Riger, for his dedication to our patients and the vision to help them live their best lives. He has made it his mission for nearly 40 years to help people live well, even in the face of death. We are grateful to have him on our team.

Take the opportunity to thank your physician for responding to late-night phone calls, working long hours, and providing unswerving care. Today more than ever, we know the sacrifices they make to put the health of their communities first. They are our unsung heroes.

We are open for business!

Stop on by the Hospice Shop and Heartisan Boutique on Miner Street, and get some awesome finds at some great prices. Check out our new hours!
